LES AGENCES TLS

COMPANY BROCHURE

We are a wholesale company with 30+ years of experience specializing in payment, security, and filtration systems.

When Claude Faucher founded TLS in 1993 he noticed there was a large demand for currency handling products. Over the following years the business expanded into other areas such as security and filtration products for commercial enterprises.

WHO WE ARE

At TLS we are committed to providing you with outstanding service. Our goal is to consistently deliver swift and effective solutions to meet all your needs. With more than 30 years of experience we are committed to offering quality products and exceptional services at a competitive price.

Offering tailored solutions to meet all your needs.

OUR PRODUCTS

FILTRATION SYSTEMS

We offer the best filtration available on the market through our exclusive suppliers John Guest and Omnipure. Whether it's for valves, tubing, tees, or high volume filters, we got you covered.

MONEY HANDLING

Where it all started, we have the best products to handle all your currency needs. Whether it's for coin handling rolls, or bank supplies rest assured your money is in good hands.

CLEANING PRODUCTS

Top of the line cleaning products with a focus on biodegradability, neutrality, and consumer safety. Whether it's for single-serve machines or large espresso machines. We offer the whole selection of Urnex products to keep all your coffee/espresso machines running cleanly and smoothly.
